SUMMARY OF COMMUNICATION

Litton - Paul ask for an update, I told him that Jim Dow had called a few weeks ago & said that based on EPToxicity test results it appeared that the sludge was non-haz. Told him he would have to delist and gave him phone no. of Myles Morse. I told Paul that I had not heard anything since then & that we should probably send out a letter. Paul will call Jim Dow & then we'll discuss what to do. MDNR is anxious to get this fac. closed out.

I ask Paul about [REDACTED] he transferred me to Tom Pawling.

Paul called back on 6-2 wrt closure. He had called Jim Dow & Jim said that we had approved the closure plan. I told Paul that this was incorrect that I called Dow w/ comments (incl. requirement for soil testing) when he came up w/ the sludge could be non-haz. Paul agreed that soil testing
